MILLS, LAND, AND MINERAL SPRING, FOR SALE – I will sell on the most accommodating terms, the property called SUDLEY MILLS, situated in the County of Prince William, Va., near the Loudoun line. The Merchant Mill runs two pair of Burrs, capable of making twenty-five barrels of flour per day. There is also Corn and Plaster Mill; attached to the above is a good Saw Mill, which may be made very profitable, as it is in a neighborhood, where

lumber is much wanted, and timber quite abundant. If required, I would sell with the Mills two or three hundred acres of good land, on which there is a Mineral Spring of very valuable water, fast growing into notice, and would, no doubt, be much resorted to if improved. Mr. Wm. Dean, of Alexandria, is acquainted with my terms, which will be found to be extremely moderate.
