

7 March 1894

Hon. William E. Lipscomb, judge of the Court.

We the undersigned citizens and voters of Prince William County and residents near Minnieville petition your honor not to grant a license to sell liquor to Mr. D. C. Alexander as it is a damage to our neighborhood. To minors and those who are in the habit of drinking too much.

This place of Mr. D. C. Alexander's is in close proximity to the church and post office. As Mr. D. C. Alexander is postmaster he would not be supposed to be a proper person to sell liquor.
