

To the Honorable Board of Supervisors of the County of Prince William:

We, the undersigned, citizens and tax payers of Gainesville Magisterial District, do most respectfully petition your Honorable body that you cause to be erected and maintained a bridge over Catamount Branch, along the road leading from Manassas to Aldie. This branch or run where it crosses the said road is in very bad condition and at times becomes impassable and at no times can a fair load be hauled over the road in its present condition.
