

Source - "Prince William: A Past to Preserve" by the Prince William County Historical Commission

Historic Name: Dr. Iden House

Date or Period: ca. 1890

Original Use: Residence

Vicinity: Manassas

This two-story, stone home has a metal-covered hip roof with projecting gable. Much of the exterior bracketing under the eaves and exterior trim is intact. Although now divided into apartments, this was a single-family house that was probably built for Dr. B. F. Iden, a Manassas physician and druggist. In 1895 Dr. Iden's pharmacy was located on the south side of Center Street between East and Main streets.
